

Welcome to the Central Florida Accordion Club

Established in November of 2002, we are certified in the state of Florida as a non-profit fraternal and social club dedicated to promoting the accordion in the Central Florida area.

Student Scholarship Application

Accordion lessons for beginners age 7 through high school in Central Florida.

A \$300 beginner accordion scholarship will be awarded to selected applicants for basic accordion lessons provided by a CFAC approved accordion teacher and furnished with an accordion for their use during the lessons.

Each application will be reviewed by the Central Florida Accordion Club's Governing Board for completeness, neatness, clarity, sincerity, and originality. Selected recipients will be notified.

In addition each applicant receives a limited complimentary BASIC membership in CFAC.

You need not play the accordion to love this instrument and become a club member. We welcome beginners, students, hobbyists, instructors, professionals, and enthusiasts. At our monthly meetings you may hear performances by players in each of these categories.

The purpose of the Central Florida Accordion Club is to promote and perpetuate the virtues and heritage of the accordion as an instrument that is complete, portable, versatile, and multicultural. CFAC is a federal non-profit 501(c) 4 organization dedicated to serving the community.
